

# PRO DVX

## Score all summer

With  
your total  
turnover

## Earn a Big Green Egg as a ProDVX distributor

### **This summer everyone wins - including our distributors**

With the start of Euro 2024, ProDVX launches a campaign aimed at generating you more business. During this summer's biggest sports tournaments, we offer an incentive to your customers when they buy ProDVX products from you.

There's a sports supporter theme to these customer incentives. Customers can win prizes by collecting points. Every €3.750,- spent on ProDVX products earns them one point. They can then redeem their points directly at ProDVX.com, by uploading their invoice. After that, ProDVX will send them their selected prize. More details can be read on the official campaign page.

**And obviously, we didn't forget about you..**

### **Generate €75.000,- turnover and win**

ProDVX offers you a chance to win the main prize of the Score all summer campaign. When you, as a ProDVX distributor, purchase €75.000,- worth of ProDVX products during the action period, and promote the Score all summer campaign to your customers, you will win a Big Green Egg Mini + Carrier!

The action period runs from June 14th (start Euro 2024) to August 11th (end of Olympics). ProDVX will check your promotional efforts and calculate your total turnover, based on invoice dates that fall within this timeframe.

Did you reach a target of at least €75.000,- at August 11th?

Then you win the Big Green Egg Mini + Carrier!\*

**- with ProDVX you score all summer!**

\*Every distributor has a chance to win a maximum of one Big Green Egg. ProDVX will confirm when you have won and will send you the Big Green Egg within 4 weeks after the action period has ended. Distributors have to be located in EU, Nordics, UK or Switzerland in order to participate.
